DETAILED ACTION

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: In the Examiner's opinion, the invention as claimed is not shown in the prior art especially with regard to comparing a calculated reported rate with a calculated minimum rate to determine an optimal time to replace a sputtering target. Thus Applicant's invention is considered novel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
